Let us host your group!

Do you have a group that would be interested in taking a class? Or were you interested in one of our scheduled classes, but couldn't make it work with your own schedule? We offer a [menu of on-demand classes](#) which can be scheduled for groups. You find the participants, then contact us to schedule the class at a time that is convenient both for you and the instructor.

We've run classes for scouts and school groups, for friends and teachers' professional development.

A successful 1st gathering of the Creative Community at Klondike

We kicked off our Creative Community Group with a terrific gathering of 13 participants, including several from our local community, as well as individuals from as far away as South St. Louis! People brought projects including em-

broidery and Kawandi slow-stitching, pressed flower and paper collages, weaving, quilting, and crochet. We loved the entertainment by drum & mountain dulcimer, but everyone agreed that the best part was developing friendships with other creative people and learning about their crafts and art.

Do you enjoy being creative? Do you consider yourself an artist, an artisan, a crafter, or a maker? Do you enjoy painting, weaving, knitting or crocheting, sketching, crafting jewelry or anything hand-made? Or do you just like learning something new? Come join us at our next gathering of the Community Creatives on April 17th. You can show up anytime between 5:30-9pm. Can't make it this month? We'll be meeting on the 3rd Thursday of every month! Bring whatever you're working on and a beverage of your choice!

Our mission at *The Creative at Klondike* is to build a culture of creative and inspired thought through art, processes and experiences. We long imagined a dedicated space in the Augusta, Missouri area for and by artists to convene, exhibit, teach and learn from each other. We also envisioned this space to be a community gathering place, where creativity and inspiration would thrive - where atmosphere and artistic socialization would foster creative experiences.

The Creative at Klondike is a nonprofit 501(c)3 organization, in collaboration with St. Charles County Parks and Recreation.
